

## 1. Please circle the option you most agree with

|                                  |       |         |          |                   |
|----------------------------------|-------|---------|----------|-------------------|
| I enjoyed today's lesson         |       |         |          |                   |
| Strongly agree                   | Agree | Neutral | Disagree | Strongly disagree |
|                                  |       |         |          |                   |
| I found today's lesson difficult |       |         |          |                   |
| Strongly agree                   | Agree | Neutral | Disagree | Strongly disagree |
|                                  |       |         |          |                   |

2. If you wanted to ask someone their favourite colour and **let them type a response**, which of the options below gives the correct way of doing this? (The “1” at the start is just showing the line number!)

a.

```
1 print("What's your favourite colour?")
```

b.

```
1 say("What's your favourite colour?")
```

c.

```
1 input("What's your favourite colour?")
```

d.

```
1 response("What's your favourite colour?")
```

3. Do you have feedback for me about today's lesson? Anything you liked/disliked or found interesting/difficult to learn?
