

TASK 2 – GROUP DISCUSSION

- 1) Think of an animal. Go round the table and say what animal you are thinking of. What is the variable here?
- 2) Think of a circle. Now choose the size. Now choose the colour. Now choose a pattern on it. Go round the table and discuss what circle designs you have picked. What are the variables here?
- 3) For your topic last term, you all chose a country to do a presentation on. You all had the same task, but chose different countries. What is the variable here?
